M.A. Thesis:

The Review of solidarity and its impacts on the Islamic political jurisprudence

Woman as half of the people in human society and Woman as one of the two pillars form the foundation of the familyin the history of different judgments than seen and The woman behind it is an extremely harsh environment A quick look at history shows that in most historical periods and in most societies women have suffered some form of deprivation.

Dominated women's human rights and culture of patriarchy and male domination has been lost.

Pay special attention to women and their rights in Islam and gives them equal rights with men. Therefore, in some cases with different rights, which has led some skeptics to women's rights in Islam and some of the verses and ahadith inconsistent with the rights of womenAlso in the constitution of the Islamic Republic of Iran, which is derived from the Qur'an and Sunnah in some cases dissimilar rights for women, believes that most cases are dissimilar. A: Woman's blood money than men. B: Women's punishment than men. Inheritance women than men. D: testify women than men. In this thesis is that the expression of women's rights in Islam to express the challenges in women's rights in law and Iran's constitution and also those questions be answered according to the jurists and scholars of religion.
